BS Psychology December 2019
Brain, Behavior, and Cognition Emphasis
Brigham Young University, *Provo, UT*

RESEARCH EXPERIENCE

Research Personnel, Brain Imaging and Behavior Lab April 2019 – present
Brigham Young University, *Provo, UT*
Advisor: Derin Cobia, Ph.D.

- The BIB lab focuses on the use of computational neuroanatomy to study neuropsychiatric diseases such as schizophrenia, Alzheimer's, insomnia, and traumatic brain injury
- Skill in: Structural MRI analysis (FreeSurfer), command line operations, neuroanatomy, R programming
- Projects: Inhibitory control in pediatric traumatic brain injury

Research Intern, Cognitive FX June 2019 – August 2019
Provo, UT

Supervisor: Rachel Heinz, Neuroscience Specialist

- Cognitive FX provides innovative treatment post-traumatic brain injury and conducts research to continue improving treatment methods
- Assisted in data entry of patient information for research analysis purposes
- Became familiar with reading functional neurocognitive imaging (FNCI) reports

Research Assistant January 2019 – April 2019
Brigham Young University, *Provo, UT*
Advisor: Harold Miller, Ph.D.

- Dr. Miller's lab focuses on animal and human-based studies of behavior measurement of the asymmetry of gains and losses
- Designed a human-based experiment on loss aversion comparing traditional measures with Dr. Miller's software program "SubSearch"

CLINICAL EXPERIENCE

Human Service Worker September 2019 – present
Wasatch Mental Health, *Provo, UT*

- Provide in-home respite care for at-risk youth and their families to encourage better quality of life, communication, and psychological/social wellbeing
- Responsible for scheduling and organizing appointments with clients

Youth Mentor

February 2017 – present

Maple Lake Academy, *Spanish Fork, UT*

- Teach and model social skills, provide emotional support, and maintain the physical safety of a residential population of teenage girls with social, learning, and mental disorders
- Work closely with therapists, administration, teachers, supervisors, and other staff to implement interventions for students
- Trained in first aid, CPR, and Positive Control Systems (PCS)

Assistant Supervisor

April 2018 – December 2018

Maple Lake Academy, *Spanish Fork, UT*

- In addition to youth mentor responsibilities, regularly supervised shift employees, trained new employees, and participated in weekly treatment team on behalf of the supervisor
- Administered morning, daytime, and evening medications to students according to proper medical protocols
- Prepared meals and monitored nutritional intake for students
